Purim Rainbow in the Clouds

A message from our HJS teachers:

The rainbow represents the colours of Purim, the happiness and the variety of costumes. The cloud as we know represents the spiritual connetion to Hashem. We need to remember that the joy of Purim is inside and out and among the colours we need to make sure to be spiritual and keep the mitzvot of the holidays.

Grade 2 & 3

People express their cultures in many ways

Grade 2 and 3 students participated in two special events last week. On Monday, we were lucky to have an instructor from the Hong Kong Hula Association come in to teach the children about Hula dancing and the Hawaiian culture.

On Tuesday, the children were really challenged as they learned about Irish Dancing. They were able to practice some of the skills needed for this dancing style and learned just how coordinated you need to be if you hope to do the Riverdance! Two excellent experiences for the children!
