Dear Tzutzik and Ganeynu parents,

In Tzutzik, the children are very busy learning about Transportation through songs, stories and Arts & Crafts.

In Ganeynu, the children have had a great time learning about 'Colours'. Please enjoy the beautiful 'Brown Bear' books that they have prepared on the subject. We will continue the subject of colours throughout the year in other subjects we cover.

As the weather is starting to get cooler, please be sure to put something warmer in their bags for them to wear in the playground. In addition, we kindly request that you do not send you child to school if he or she is unwell. We would really appreciate your cooperation in this matter.

Enjoy the pictures below and don't forget to check VIDIGAMI for more pictures.

Shabbat Shalom  
Warm regards,

Hagit Razon

Dear Ganeynu parents,

For the last few week we have been busy learning about animals and body parts, through song, stories and games. The children have had so much fun.

Over the next couple of weeks we will be moving on to "My Family" theme.

Looking forward to having more fun.

Best regards,  
Miss Vivian
